

Providence Cognitive Assessment Clinic

Providence Cognitive Assessment Clinic is Oregon's leading care provider for people with memory disorders and other cognitive complaints. The clinic is dedicated exclusively to evaluating, diagnosing and treating problems involving changes in memory, concentration and problem-solving.

Services

- Clinical assessments and brain imaging for cognitive complaints, such as memory loss, concentration difficulties and changes in problem-solving abilities
- Diagnosis and treatment plans for early changes in cognition associated with aging and brain injury
- Medication therapies designed to help slow the progression of symptoms
- Non-medication therapies to improve daily functioning
- Participation in research and clinical trials to investigate and offer access to the newest medications and therapies
- Information and education to promote informed decision making

Our diverse team of experts specializes in:

- Neurology
- Neuroimaging
- Neuropsychology
- Cognitive rehabilitation

Medical director:

Michael Mega, M.D., Ph.D., Providence Neurological Specialties, 503-216-1150

Available on our Web site at www.providence.org/physicianinfo:

- **Physician directory:** Get contact information for all Providence Brain Institute physicians.
- **Referral protocols:** View our recommended referral flow.
- **eNeuro:** Subscribe to our quarterly physician newsletter, which features current clinical trials and other news from Providence Brain Institute.
- **Clinical trials:** Learn about research for an investigational medication for mild to moderate Alzheimer's disease, as well as other clinical trials available to your patients through Providence.
- **Speakers bureau:** Providence Brain Institute physicians are available to speak about the latest research on Alzheimer's disease, avoiding Alzheimer's disease, and other topics related to neurological health.

OUR MISSION

As people of Providence,
we reveal God's love for all,
especially the poor and vulnerable,
through our compassionate service.

OUR CORE VALUES

Respect, Compassion, Justice,
Excellence, Stewardship
